WAKE THE FUCK UP!

This is Trump's LAST call. This is it. THERE WILL NOT BE ANOTHER ONE!

I'm sure Trump would love to invoke the insurrection act, or martial law, but he CAN'T UNLESS WE'RE THERE FOR HIM. We all talk big shit and say we're ready to throw down, but who among us has? Right now, we're all a bunch of pussies sitting behind our screens talking shit like "I wish pantifa would come to my door." "Too bad us conservatives have jobs."

EXCUSES! FUCK OFF WITH THAT SHIT! This is OUR republic. If we won't stand up for it, then WE DON'T DESERVE IT. The government is fucked. The courts are fucked. The CONSTITUTION IS FUCKED. We can't sit around anymore waiting for Daddy Trump to save the world! He's not gonna declare open war against the entire fucking CCPedocrat party, with a bunch of PUSSY ASS KEYBOARD WARRIORS!

Trump's last call is a call for a show of force on January 6th. If we fail him now, then we fail our forefathers, and we fail America.

So GEAR THE FUCK UP PATRIOTS, and GET THE FUCK OVER TO D.C.

You need to go out on another social media site and say this. This one is not as prolific as it looks.

I am not military. but I have a theory of why America is still hiding at home. I have been out to Four stopthesteal.us protests.

America is afraid of Social Media shunning and threats from unions, bar associations and local governments.

<https://thedonald.win/p/11R4q4rM1A/fraud--why-are-lawyers-keeping-q/>

and its no excuse for claiming and getting our Country and Constitution back.

I will go get the letter from Oathkeepers to President Trump. <https://oathkeepers.org/2020/12/open-letter-to-president-trump-you-must-use-insurrection-act-to-stop-the-steal-and-defeat-the-coup/>

If a regular American has a LinkedIn account, they click on a series of buttons and are told that the account is deleted.

▼

Actually that account is left up forever. The person just can't access it any more.

Dominion Employees that Had LinkedIn Accounts were deleted completely within One Day. Gone and no record they were ever there.

Just making sure people are aware that the DC police will violently oppose you if you have a gun.

1 True.

▼
Been saying this for weeks now. W/O a major show of force/bodies/patriotism marching in DC then nothing will happen. The fear of said force is the only thing the globalists will take notice of.

In 2020 the Chicoms were likely stunned by how easily we capitulated our rights, our freedoms, and our future.

On Jan 6th we have that rare opportunity to prove them wrong.

LET'S FUCKING ROLL.
